

# Hekate Keys of Life Spell

Hekate, Goddess of the Crossroads and Queen of the Night,  
with these keys I honour you.

The first key is life, the greatest gift, start of the journey,  
and I ask humbly ask for your assistance in opening closed doors.

The second is dreams that they come true, in anticipation that we make it through,  
may your torches light my path and lead me out of the darkness and into the light.

The third is health, so that I may live my dreams,  
please allow me good health in opening new doors to the unseen.

The fourth is wealth, and I pray to you to bestow upon me the blessing  
of granting me the glory of success in my endeavours.

The fifth is our gift that we give to all, doing our best to balance all,  
I thank you for balancing light and dark as you guide me through life.

The sixth is our spirit that drives our soul,  
may you protect me on my journey towards reaching my goals.

The seventh is the largest key, the most powerful of all, they key to life is to live it all,  
may you and your dogs guard me and provide me companionship along the way,  
in this life and the next.

Hekate, please accept this offering as a sign of my devotion  
and humble thanks for your guidance and protection.
